Atty Docket No.: 27726-98311
For: TEMPERATURE CONTROL
SYSTEM

DECISION ON PETITION

The petition for revival under 37 CFR 1.137(b) filed 06 August 2007 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" satisfies the requirements of 37 CFR 1.137(b)(3).

Applicant has submitted the petition fee and the required reply, that is, a proper response to the Notification of Missing Requirements (Form PCT/DO/EO/905) mailed 01 July 2005 in the form of an executed declaration in compliance with 37 CFR 1.497 and the surcharge for filing the declaration later than thirty months after the priority date.¹ The requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application is granted as to the national stage in the United States of America.

This application is being referred to the National Stage Processing Division of the Office of PCT Operations for further processing in accordance with this decision. The date under 35 U.S.C. 371(c)(1), (c)(2), and (c)(4) is 06 August 2007.

¹ Applicant's petition was accompanied by a five-month extension fee. However, an extension of time under 37 CFR 1.136(a) must be filed prior to the expiration of the maximum extendable period for reply. See In re Application of S, 8 USPQ2d 1630, 1631 (Comm'r Pats 1988). Since the extension fee submitted with the present petition was filed well after the maximum extendable period for reply to the Notification Of Missing Requirements, this fee is unnecessary and will be credited to petitioner's deposit account.
